"God Still Loves Us."

Do they know that?

Long ago, in my first job out of college I worked at Eastman Kodak in Rochester, NY. One of my closest friends there used to greet me each morning with, "What's the good word?" The first few times he said it I would silently pray for courage and say, "God loves us!" After a while it was easy. He told me that he used to work with someone else who said it differently, "God STILL loves us!"

But what about the millions in Guatemala and around the world who have never heard or understood the Gospel? Millions still don't know who Jesus is, and certainly not that He loves us unconditionally - every day.

In fact, the truths of the Bible are inaccessible to millions of people from **oral cultures**. **Why?** Because they do not have a Bible in **their language and in a form they can use**. They don't read. Oral peoples have no tradition of reading and their language may not even have an alphabet.

They learn by hearing and watching. Just as the apostle Paul said, "faith comes by hearing, and hearing by the Word of God".

For Marcia and me, providing the Word of God in audio and video to oral cultures is a passion God has placed in our hearts.

Marcia and I want nothing more than the opportunity to tell them of life in Christ through faith in His life, sacrificial death for them, and victorious resurrection. We want to do our part in making sure they have access to the Bible for themselves and a way to lead others to Christ, making disciples. By God's design He has been preparing us to do just that our whole lives.

Would you ask God if He is calling you to join us as partners in our Wycliffe ministry?

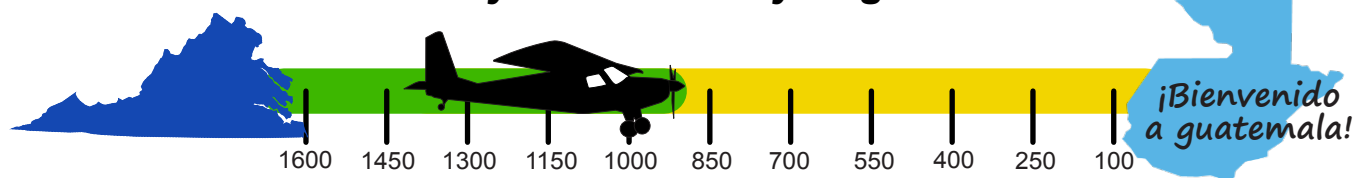

We have a limited time opportunity! (glass half full)

If our recurring monthly financial partnership is at 100% by mid-December we can save \$254 / month by avoiding a ministry budget increase!

We have been encouraged to set a goal to be at 100% of our Wycliffe Monthly Ministry budget **by December 13th!** This should leave enough time to be released by the end of the year.

Our final deadline is January 31st. If we are not at 100% and released by December 31st our budget will go up \$254 / month and we will only have one month left to get to 100%. **If we are not 100% funded by January 31st we must resign from Wycliffe.**

Only \$904 monthly to go!

Why Partner with Missionaries?

"When He saw the crowds, He had **compassion** for them, because they were harassed and helpless, like sheep without a shepherd. **Then He said to his disciples, 'The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest.'**" (Matthew 9:36-38)

"For everyone who calls on the name of the Lord will be saved. **How then will they call on Him** in whom they have not believed? And **how are they to believe in Him** of whom they have never heard? And **how are they to hear** without someone preaching? **And how are they to preach unless they are sent?**" (Romans 10:13-15)

"So faith comes from hearing, and hearing through the word of Christ."
(Romans 10:17)

God has put His passion in our hearts: That **others around the world would hear the Word, believe in Him, call on Him and be saved**, becoming disciple makers and worshipers of God!

Praises

As Billy Graham said, "God can use a dedicated heart to change the world."

God has brought us a long way in the last year; spiritually, mentally, and relationally.

We are so close in our budget! God has been very kind.

Would you take a few minutes to praise God and pray for us right now?

Ways to Be a Partner

Pray - We need your prayers! Prayer is how God's will is accomplished on earth. We need many people to pray in order for us to get to 100% of our Wycliffe Ministry budget. If you would like prayer for anything contact us at adam_hiler@wycliffe.org or marcia_hiler@wycliffe.org. We would be honored to pray for you.

Give - to support our Wycliffe ministry. Without regular financial gifts we cannot begin our assignment. There are many ways to give and be a vital part of the team!

Very Important - ONLY **recurring** gifts will reduce that monthly \$904 remaining, but read on!

If you are considering a one-time gift, thank you! **Just so you know**, you can still make it reduce our remaining budget by spreading that amount over a period of time as a smaller recurring gift.

Online. The easiest way to give may be to use our Wycliffe donation page at <https://wycliffe.org/partner/hilers>.

Prayer

Will you pray with us for Him to glorify His name through us?

Please ask for opportunities, words, and boldness to be His witnesses now.

God-glorifying hearts as we navigate this exciting but stressful season.

Protection from attacks of the enemy. If we ever doubted the reality of enemy attacks, we don't doubt it now.

For more prayer and financial partners so that our team will be completed soon!
